

# Toddler Station

## October 2015

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
				1	2	3
				See an orange, feel an orange, taste an orange. (Sensory Awareness)	Wear something orange today. (Colors)	Let your toddler color with orange paint daubers or marking pens. (Art)
4	5	6	7	8	9	10
Toss small pillows at each other. (Coordination)	Ask your toddler to touch his nose, rub his stomach and blink his eyes. (Body Parts)	Visit a pumpkin patch to see how pumpkins grow. (Science)		Look for "fat" and "skinny" pumpkins. (Opposites)	Make pumpkin cookies or pumpkin bread with your toddler. (Cooking)	Glue some small pumpkin cutouts to sheets of paper to make placemats. (Art)
11	12	13	14	15	16	17
Sail boats in the bath tub by blowing on them. (Science)		Show your toddler how to make happy and sad faces in a mirror. (Feelings)	Show your child how to roll a ball into a basket. (Coordination)	Encourage your child to name a toy cat. (Language Development)		Have your toddler climb or walk like a cat. (Movement)
18	19	20	21	22	23	24
Set out some hats, scarfs, purses, etc., for your child to use for dress-up. (Imagination)	Make up a simple song about what your child is doing. (Music)		Go outside and hunt for spider webs. (Science)	Count the number of spider webs you find outside. (Math)	Give some cookies to a friend or a neighbor. (Kindness)	Play a game where you instruct your child to take "short" steps, then "long" steps. (Opposites)
25	26	27	28	29	30	31
	Set out four sets of shoes all mixed up. Have your toddler find matching pairs. (Matching)	Empty rectangular tissue boxes make great play feet or shoes. (Imagination)	Make a four piece pumpkin puzzle out of a cardboard pumpkin shape. (Problem Solving)	Have your toddler name facial features on a jack-o'-lantern. (Body Parts)	Dress your child warmly if she goes out on Halloween. (Safety)	<b>Happy Halloween</b>
