

Toddler Station

July 2017

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1
						Make a straw sparkler to wave, using fringed tissue paper, tape and a straw. (Art)
2	3	4	5	6	7	8
Make a pop-up fire cracker puppet with a cardboard tube and a straw sparkler. (Art)	Sing, "Yankee Doodle" as you march around with your toddler. (Music/ Movement)	Fourth of July 	Let your child help you name a new pet or a pretend new pet. (Language)	Visit a pet store. View the dogs, cats, fish and birds. (Science)	Sing "How Much is That Doggie in the Window" with your child. (Music)	
9	10	11	12	13	14	15
Make watermelon juice in a blender for your child. (Snacks)	Pour water into a tub outdoors for water play. (Sensory Exploration)	Let your child paint with yellow paint. When dry, cut painting into a large sun shape. (Art)	Glue yellow tissue paper sunrays around a small yellow paper plate. Add a handle to make a sun puppet. (Art/Language)		Help your toddler lock her hands overhead to form a large sun shape. (Pretend/ Movement)	Recite the rhyme, "Big and round, Big and round, Rising up, Sinking down". (Rhyme)
16	17	18	19	20	21	22
Make your child a pretend baby octopus. Cut the top off of a green onion and float it in a jar of water. (Pretend)	Spread tuna fish on crackers for a snack. (Snack)	Cut a pie wedge from a paper plate and glue it on the opposite side to make a fish. Decorate. (Art)		Make a fishing pole with a wooden spoon, some string and a weight on the end. (Imagination)	Help your child make a pretend boat out of a large cardboard box. (Construction)	String 10" sections of ribbon through a decorative fish net. (Sewing)
23/30	24/31	25	26	27	28	29
Let your child play with wet sand and dry sand. (Textures/ Construction/ Opposites)		Take old plastic bottles with handles and cut them into sand scoops for your child. (Lg. Motor Dev.)	Show your toddler how to build block towers. (Construction/ Coordination)	Help your child count the blocks in his tower before he knocks it down. (Math)		Give your toddler some fish crackers. Count them together. (Math)
