Toddler Activity Calendar

September 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		1	2	3	4	5
		Cut an apple in half cross-wise to show your child the star inside. (Science / Shapes)	Let your toddler glue red poms on the top of a green tree shape to make an apple tree. (Art)	Look for pictures in magazines of daytime and nighttime. (Science / Thinking Skills)		Teach your toddler the rhyme, "Sun rays in the day, moon light in the night." (Rhyme)
6	7	8	9	10	11	12
Discuss how "day" and "night" are different. (Opposites)	Eat peanut butter and crackers for a lunch or snack. (Nutrition)		Set out unshelled walnuts. Let your child toss them into a basket. (Coordination)	Count out pretzels with your toddler for a snack. (Math / Snack)	Have your child do the actions to the rhyme "Teddy Bear, Teddy Bear, Turn Around." (Movement)	
13	14	15	16	17	18	19
Grandparent's Day Visit or call Grandparents today. (KIndness)	Show your child a picture of himself as a baby. How has he changed? (Science / Size)	Give your child dolls to play with. (Caring)		Give your toddler a box and a pillow to make a bed for a doll. (Construction)	Cut open a paper grocery sack and let your child color on it. (Art)	Brush glue on a paper leaf shape. Let child sprinkle crumbled dry leaves on to the leaf shape. (Art)
20	21	22	23	24	25	26
Go outside and pick up leaves. Are they heavy or light? (Opposites)	Paint on top of a leaf, then press a paper on top to make a leaf print. (Art)	Fall Begins	Drop a leaf and watch it float to the ground. Move like the leaf. (Movement)	Let your child help make his favorite pudding. (Cooking)	Read about "Little Miss Muffet." (Rhymes)	Look for spider webs outside. How many did you find? (Science / Math)
27	28	29	30			
	Tape a sheet of black paper into a cylinder shape. Cut seven slits halfway up to make an 8 legged spider puppet. (Language)	Crawl the fingers of one hand up your toddler's body and face for a spider kiss. (Self-Esteem)	Sing the song "Eensy Weensy Spider." Do the hand motions. (Music / Movement)
